

## CONFERENCE VENUE

Riga Teacher Training and Educational Management Academy, Imantas 7. linija 1, Riga, Latvia.

## SCIENTIFIC BOARD

Prof.D.Markus, Prof. M.Stueck, Prof.D.Voita, Prof. G.Svence (RTEMA, Latvia), Prof.U.Sack (Germany), Prof.K.Martinsone (RSU, Latvia)

## LANGUAGE

Latvian, English, Spanish (Translation)

## REGISTRATION

You are invited to register by filling in the application form online: <http://www.rpiva.lv> , [www.bildungsgesundheit.de](http://www.bildungsgesundheit.de)

This form may be printed and sent by fax +371 67 860 665 or mail: [gunasvence@rpiva.lv](mailto:gunasvence@rpiva.lv) no later than 1st October

The referee will receive confirmation no later than 15th of October

## CONFERENCE FEE

- Conference fee: Euro 50;
- Conference fee for Students: Euro 20;
- Listeners: no conference fee,

Conference fee covers organisational expenses, conference materials, coffee breaks, welcoming reception, collection of internationally reviewed proceedings.

## CONFERENCE FEE DISCOUNT

OF 50 % For RTEMA international partner institutions (ERASMUS, NORD+, Cooperation Agreement).

## DEADLINE FOR ABSTRACTS

Abstract (1 page A4) in Latvian or English should meet the requirements and must be sent in by e-mail: [gunasvence@rpiva.lv](mailto:gunasvence@rpiva.lv) no later than 1st October

ABSTRACT (1 page) with following structure: 1) Title; 2) Area: A1, A2 or A3; 3) Gate: G 1 (Basic LIFE-Research) or G2 (Applied LIFE-Research); 4) Abstract (Introduction/ Theory; Method; Results; Discussion); 5) Contact.

## PUBLICATION

Articles will be published in a peer reviewed conference book (additional fee = 60 Euro).

## CONTACTS

The Research Department of RTEMA  
Phone: +371 67 808 124, +371 67 860 665  
Fax: +371 67 860 665

*in cooperation with University Leipzig & Applied University Zwickau (GERMANY)*

BIOPSYCHOLOGICAL  
BASICS OF LIFE  
IN EDUCATION AND HEALTH

## International conference

# BIOPSYCHOLOGICAL BASICS OF LIFE IN EDUCATION AND HEALTH

*Research Symposia of the International  
LIFE-Research Network BIONet*

*Life Science Research*  
**BIONet**  
*Biology Psychology*  
*Education*

*New Paradigm Human Development  
(Biodanza-RESEARCH)*

New form of scientific encounter

**26.10 – 28.10.2012**

at Riga Teacher Training and Educational Management Academy (RPIVA) (LATVIA)

This Conference is a contribution towards all scientific disciplines and researchers, which are investigating and improving LIFE-Processes, e.g. Regenerative Medicine, Biodanza-Research, Positive Psychology, Health Psychology & Early Education worldwide.

## PROGRAMME:

### DAY 1

(Friday, 26.10.2012)

**10:00 Introduction**

**10:15 – 10:45 Prof.U.Sack** (Regenerative Medicine Leipzig university) GERMANY

AREA 1: Biological Basics of Life in Human Development.

**11:00 – 11:30 Prof.K.Reschke** (Clinical Psychology Leipzig University) GERMANY

AREA 2: Psychological and educational Basics of LIFE in Human development.

**12:00 – 13:00 Jorge Terren** (International Biocentric Foundation) ARGENTINA

AREA 3: New scientific approaches in Life Science

**13:30 – 17:00 Area 1 – Presentations**

All presentations about biological Basics of Life in Human Development.

Workshop 2: **Area 2 – Presentations**

Psychological and educational Basics of LIFE in Human development.

**18:00 – 19:00** Group-Discussion and preparation of a Presentation for day 2 .

**20:00 – 22:00 Area 3 – Presentation**

**Dr.A.Villegas & M.Stueck**

The role of the subjective Experience in Science ;  
BIOCENTric Approaches in biology, psychology and in education.

### DAY 2

(Saturday, 27.10.2012)

**Key-note speakers**

**10:00 – 10:30 (Area 1) Prof.D. Voita** (Biology, RPIVA) LATVIA

Basic research and its practical application in LIFE Sciences.

**10:30 – 11:00 (Area 2) Dr.U.Balzer** (Chronobiology) Humboldt University Berlin GERMANY

The psychobiological meaning and measuring of Hypersensitivity.

**11:00 – 11:30 Prof.M.Stueck & Dr.A.Villegas** (RPIVA & Applied University Zwickau GERMANY)

BIODANZA-Research OVERVIEW.

**12:00 – 13:00**

Parallel Presentations

**Area 2**

**Guna Svence** (RPIVA) LATVIA:  
Introduction to Positive Psychology

**D.Riha** (International Planet Parenthood Federation) (GERMANY).

New developments of Gestalt-Therapy

**15:00 – 16:30**

Final Discussion & Presentation of

1) Area 1/2/3-Presentations: all researchers present their conclusion in a general presentation about the areas (60 Minutes)

2) FOUNDATION of BIONET as a network of LIFE-Science researchers.

**POST – CONFERENCE – Workshop (Area 3)**  
(EXTRA Fee: 65 Euro)

**18:00 Jorge Terren & Bettina Ber**

Introduction in BIODANZA and BIOCENTRIC Education (Part 1)

### DAY 3

(Sunday, 28.10.12)

**10:00 – 17:00 Continuing POST Conference (Area 3)**

**Jorge Terren & Bettina Ber (Argentina)**

Introduction in BIODANZA and BIOCENTRIC Education (Part 2)
